NanoLund Annual Meeting 2017

Gasquesalen, Kårhuset, John Ericssons väg 3, Lund

7
SEPT

Welcome to NanoLunds Annual Meeting 2017 with the theme "Why we do Nanoscience: from Fundamental Curiosity to Society's Grand Challenges".

In addition to a general update on NanoLund and poster sessions, there will be talks on what drives our research in the following areas:

- Materials for new Science and Technologies.
- Exploring Quantum Physics.
- Tools for new Biology and Diagnostics.
- Risk management at NanoLund.
- Nanoenergy research.

Sign up at nano.lu.se/annualmeeting2017
Registration deadline August 21, 2017
