

NANO LUND

AT THE FOREFRONT OF NANOSCIENCE

Annual Meeting, September 7 2017, Kårhuset, John Ericssons väg 3, Lund

Why we do Nanoscience:
From Fundamental Curiosity to Society's Grand Challenges

08:30 – 09:00 Registration

09:00 NanoLund update

09:45 – 10:45 Session 1: Materials for new science and Technologies

11:15 – 12:15 Session 2: Exploring Quantum Physics

13.15 – 14:15 Session 3: Tools for new biology and diagnostics

14:15 – 14:25 Risk management at NanoLund

15:10 – 16.10 Nanoenergy Research: starting from fW, aiming for GW

16:10 – 13:30 NanoLund's core values

16:30 Posters

18:30 Dinner at Lilla salen, AF Borgen, Sandgatan 2, Lund
